Kent Yeager (Panel Moderator), Indiana Farm Bureau

2:30 pm.

Networking Break

2:45 – 3:45 pm.

Educational Sessions (Concurrent)

“What to Know to Get Started – Take that Hobby and Make it a Job”

This session will feature entrepreneurs who have been successful in creating a product and developing it to the next level. This panel will provide key insights from a variety of AG business areas e.g. a farmers market/value added food, to AG-tourism opportunities to the field of art. **(Presented by the Indiana Rural Roundtable)**

“Winners with Best Practices in Making a Greener Community”

This session will feature the successful work of two rural Indiana communities who have organized and built an infrastructure that addresses quality of place issues. **(Presented by the Indiana Association of Cities and Towns)**

“Inter-Professional Education: Issues and Challenges”

This session will focus on inter-professional education issues and challenges in Indiana’s health care field. **(Presented by the Rural Health Innovation Collaborative)**

Session Presented by the Association of Indiana Counties.

Topic to be announced soon.

4:00 - 5:00 pm.

Educational Sessions (Concurrent)

“What to Know to Grow”

This session will use a panel approach that will explore key components necessary to operate and grow not only local and regional AG business markets but the larger national or international markets. **(Presented by the Indiana Rural Roundtable)**

“Resources for a Greener Community”

This session will share information and examples of resources available (e.g. technical support and financial tools) to sustain a green initiative in your community. **(Presented by the Indiana Association of Cities and Towns)**

“RHIC and Downtown Development”

This session will focus on the exciting RHIC District being designed in downtown Terre Haute and how the RHIC sparked this urban development initiative. **(Presented by the Rural Health Innovation Collaborative)**

Session Presented by the Association of Indiana Counties.

Topic to be announced soon.

5:30 – 7:00 pm.

Indiana Rural Summit Reception

The reception will be held at the Landsbaum Center for Health Education and will include tours of both the RHIC Simulation Center and the Landsbaum Center. **For specific details please refer to the Summit information folder.**

Friday, December 2:

7:30 - 8:30 am. Continental Breakfast (Atrium-University Hall)

8:30 – 9:30 am. Educational Sessions (Concurrent)

“Helping AG Grow”

This session will examine various policy issues impacting agriculture e.g. using taxes and land use planning to expand economic growth in agriculture, environmental regulations to support agribusiness. **(Presented by the Indiana Rural Roundtable)**

“Getting on the Plane-Trade Missions”

This session will answer questions related to how and why trade missions are important to the local Indiana rural economy and how a community might strategize to represent themselves when opportunities arise with overseas investments. This session will touch on a number of important questions officials need to have answered in order to decide whether a trade mission is right for your community. **(Presented by the Indiana Association of Cities and Towns)**

“Understanding the Upper Midwest Tele-Health Resource Center”

This session will share information regarding the Upper Midwest Tele-health Resource Center and include discussions regarding the FCC bandwidth opportunities. **(Presented by the Rural Health Innovation Collaborative)**

Session Presented by the Association of Indiana Counties

Topics to be announced soon.

9:30 am. Networking Break

9:45 – 10:45 am. Educational Sessions (Concurrent)

“Creating Economic AG Impact – Making the Connections”

This session will be a moderated panel approach utilizing people from Thursday’s session to share with participants the value of agribusiness has in your community when everyone is connected. **(Presented by the Indiana Rural Roundtable)**

“Successes and Best Practices of Landing Foreign Investment in Your Community”

This session will highlight real world examples and best practices from a panel who have experience the successes and challenges of business attraction from overseas companies. **(Presented by the Indiana Association of Cities and Towns)**

“Indiana Health Care and the Economy”

This final session will focus on the health care transformation and impact on rural economies. **(Presented by the Rural Health Innovation Collaborative)**

Session Presented by the Association of Indiana Counties

Topics to be announced.
